Dear choir members and families,

Again this year I have had the pleasure to hear many individuals share their talents and hard work in auditions. I am proud to share that this year's auditions were at a higher level and students were much more successful at sight reading!

Because of this, I have been faced by the most difficult decisions of the year. Of course I would like to place everybody where he or she wants to be, but unfortunately it's just not possible. If you find yourself disappointed by the results, spend some time thinking about how you might improve or focus your efforts in the future. I am happy to invite polite conversation next week with students seeking more information on auditions and how to improve.

Kind Regards,  
Mr. Lundin
